

Checo Cadena

Singer-songwriter, sound artist, and creative technologist

✉ checo@innercircuit.com 📍 New York, NY 🔗 checocadena.com

📁 Professional Experience

Lead Technologist , <i>Amorphic Robot Works</i>	08/2023 – Present Brooklyn, NY
• Led technical development on Getty-funded robotic art installations, including Dual Pneuma, exhibited in Future Tense at UC Irvine's Beall Center for Art + Technology • Built and maintained complex audio setups using Max/MSP, Ableton, sensors, and MIDI hardware, gaining strong skills in troubleshooting, organization, and reliable gear handling.	
Project Manager , <i>Aerial Entertainment</i>	01/2026 – 07/2026 New York, NY
• Designed and built a 7-foot interactive iPod Nano installation for a K-pop brand campaign (ONE/EIGHT at Racket NYC), later redeployed for a Bebe Rexha show • Coordinated the Hearts2Hearts/Lemon Tang SM Entertainment social media campaign, including banner flyovers and drone chase capture. • Produced artist merchandise and print logistics for live events	
Studio & Academic Technology Staff , <i>Berklee NYC</i>	01/2026 – Present New York, NY
• Supported students and faculty across the school's recording and production studios	

🎓 Education

Berklee NYC , <i>MA in Creative Media & Technology</i>	08/2025 – 07/2026 New York, NY
• Advanced proficiency in Pro Tools, Ableton Live, and audio production.	
IRCAM-Institute for Research and Coordination in Acoustics/Music	02/2025 Paris, France
• Trained in real-time generative music systems (Somax2, Dicy2), building reactive AI agents for performance, machine listening, and adaptive composition integrated with Max/MSP and DAW environments.	
New York University, Tandon School of Engineering , <i>B.S. Integrated Design & Media</i>	08/2020 – 12/2024 New York, NY
• Relevant Courses: Advanced Creative Coding, Contemporary Techniques in Sound Art, Digital Psychedelia	

🏠 Residencies, Fellowships & Awards

International Student Arts Incubator , <i>NYU Production Lab</i>	10/2024
• Fellow for a competitive program supporting emerging artists in their O1 visa process	
Tidal Shift Award , <i>Portland Museum of Art</i>	12/01/2023
• Awarded for "Afuera," a climate-conscious song exhibited throughout the summer.	

🎵 Discography

Superstar EP	12/2023
• English-language EP. Featured in Authority Magazine; streamed over 90,000 times.
